Group Mediciam Insurance Scheme (FY27) - India

1. Objective

- 1.1. To provide relief to employees and their family members for medical expenses incurred in India, due to hospitalization, domiciliary treatment and day care treatments as defined and detailed out in this scheme.

2. Disclaimer

- 2.1. Coforge Limited and its subsidiaries reserve the right to continue/modify/suspend the scheme at anytime.
- 2.2. This scheme is applicable from 1st April 2026 to 31st March 2027.

3. Eligibility and Coverage

- 3.1. The scheme applies to Regular employees in Benefit Plan P, Q, R & S, Retainers and Trainees.
- 3.2. The scheme is applicable to Self + 3/ + 5 insured members only and not additional nominations. Additional Nomination scheme terms and conditions are available on iEngage separately.
- 3.3. Standard coverage for Mediciam is given below:

Plan/Grade	Sum Insured
Trainees	₹1,00,000 (For self only)
Retainers	₹1,50,000 (Without Parents/Parents-In-Law)
P & Q	₹1,50,000
R & S	₹3,00,000

- 3.4. The above sum insured is collective Base coverage i.e. Self + 3 / Self + 5 Floater for insured members only.
- 3.5. The above entitlement includes maternity benefits for the employees.
- 3.6. Retainers would have the plan coverage limited to the enrollment of employee, spouse and children as per definition of this scheme. Inclusion of parent / parent in laws or enhancement of sum insured is not part of the plan.
- 3.7. New Joiners are required to give the details of the dependent nominees at the time of joining. Their claims will be entertained and admitted from their Date of Joining.
- 3.8. New Joiners declaring non-admissibility to the scheme will be able to opt-in from the next renewal cycle only.
- 3.9. For employees opting for higher sum insured during renewal, additional premiums are deducted directly from monthly payroll in equal instalments across Fiscal year and are not adjusted from the Flexi basket.
- 3.10. Employees cannot change the opted sum insured during the scheme period. This will stand true even if his/her benefit plan is to be changed to a higher benefit plan.
- 3.11. The downgrade of current sum insured coverage is not permissible, either for the default Mediciam coverage amounts fixed by company or upgraded sum insured.
- 3.12. There is no option to opt out of the Mediciam scheme throughout the employment with the company, including any future assignments to its group companies, effective from 1st April 2026 or date of joining,

whichever is earlier. In the event of transfer of the employee to onshore entity through Inter Company Transfer, coverage will be governed as per Clause 14 of this scheme.

3.13. Employees can view their coverage and nomination details on iEngage - My Data - My Info - Mediclaim.

4. Premium Details

Sum Insured (INR)	Annual Premium (INR)	Annual Premium (1+3) (INR)		Annual Premium (1+5) (INR)

7,50,000	-	66,806	30,369	80,167	34,922
10,00,000	-	86,762	39,910	104,115	45,897
15,00,000	-	126,675	59,868	152,008	68,846
30,00,000	-	216,907	105,850	260,287	121,729

4.1. Definition of Dependents

4.2. As part of the Hospitalization Insurance benefit, employees and their insured dependents are eligible for Medical Insurance cover for the treatment taken in India.

4.3. The following relations can be included as a dependent under the Mediclaim Scheme:

- Spouse / Same sex Partner (Up to 70 years of age)
- Children (Up to 25 Years of age, children with disabilities are covered ir-respective of age)
- Parents/Parents-In-Law (Combination of any 2, up to 90 years of age)

NOTE: Other relations such as dependent sisters, brothers, grandparents etc. are not covered except employees covered prior to 01/02/2008.

5. Nomination Change Conditions

5.1. Mid-term additions are allowed only in case of marriage and childbirth within 30 days of the event, subject to availability of slot under floater.

5.2. Mid-term inclusion of parents/parents-in-laws is not allowed in any case.

5.3. Mid-term upgrade from 1+3 to 1+5 is allowed subject to intimation to the insurer within 60 days of conceiving. Full differential premium from previous category is to be paid separately.

5.4. Mid-term deletions are allowed only in case of death and divorce, subject to no claims made in the scheme year.

5.5. Mid-term substitution of members is only allowed in case of death of a covered member or divorce of the employee, subject to no claims made in the scheme year.

5.6. Employees must update the changes under Family Details on iEngage and intimate Insurance Department on InsuranceHelpdesk@coforge.com.

6. **Hospitalization Cover**

- 6.1. Hospitalization insurance cover will be provided to insured employees as per the coverage defined and his/her 3 or 5 nominated dependents basis the opted floater coverage.
- 6.2. There would be 10% co-payment applicable on each claim processed for insured member other than self, spouse and two children.
- 6.3. **Cashless:**
- 6.4. Employees need to approach any one of the Network Hospitals and produce the E-Card at the TPA Helpdesk at the hospital. The E-Card is available on iEngage > My Data > My Mediciam (TPA Portal). The list of Network hospitals can also be accessed there.
- 6.5. TPA will coordinate to get approval to the hospital based on the scheme terms and employee's eligibility as per the plan opted.
- 6.6. Discharge: Employee/Nominee is required to pay for all non-covered services. Employee/nominee will have to verify and sign the hospital bills along with the claim form and submit it to the TPA. Photocopies of relevant documents can be retained for records.
- 6.7. The complete cashless process can be viewed on:

iEngage > My Data > Mediciam Guidelines.

6.8. **Reimbursement:**

- This option is available for treatments carried out in non-network hospitals or;
- Pre-Hospitalization - Relevant medical expenses pertaining to a period of 30 days prior to hospitalization will be considered as part of the claim and settled thereof. (Except maternity benefit) or;
-
- Post-Hospitalization - Relevant medical expenses pertaining to a period of 60 days post hospitalization will be considered as part of the claim and settled thereof. (Except maternity benefit).

Exception – Post hospitalization medical expenses will be covered for a period of 120 days for physiotherapy due to accidental injury, duly advised by the treating doctor. The physiotherapy must not be taken at home as a domiciliary treatment. In case of extreme situations that the physiotherapy needs to be taken at home, then the expenses reimbursed would be the expenses incurred if the treatment was taken at hospital.

- Employee needs to visit iEngage > My Data > My Mediciam (TPA Portal) > Select scheme as Base scheme. Then click on Explore > Claims > Claim Submission> Claim Reimbursement> Submit New Claim. Also fill the online details and then upload the softcopy documents. Kindly refer "Claim submission guide" for more details.
- Employees may view the status of the reimbursement on the same portal.
- The document check-list and Mediciam guidelines can be viewed on: iEngage >> My Data >> Mediciam Guidelines.

7. **Capping**

Capping on the following ailments is applicable:

- 7.1. Cataract - ₹40,000/- per eye.
- 7.2. Stone/Hernia (bilateral/unilateral) – ₹1,00,000/-
- 7.3. Hysterectomy - ₹1,25,000/-
- 7.4. All the expenses incurred related to ambulance charges will be reimbursed up to ₹3000/-.
- 7.5. Room rent is restricted to 2% of the sum insured. Increased room rent expenses due to higher room rent, need to be borne by the employee. The associated expense will be paid on actuals.
- 7.6. ICU charges will be paid as per actual including consumables.
- 7.7. Treatment of age-related Macular Degeneration (ARMD) treatment such as rotational field quantum magnetic resonance (RFQMR), Enhanced external counter pulsation (EECP) etc. is capped to ₹25,000/ per event.
- 7.8 Modern treatments:

Modern Treatment coverage	Coverage Limits in a Scheme Period

In case the employee wants to continue the coverage even after 31st March 2027 he / she needs to pay the Mediclaim premium amount for continuing the coverage at new scheme rates.
- 13.2. The intimation of the renewal will be informed to employee through iEngage overseas Mediclaim email. Employees can also check the details with their respective India HR upon completion of one year overseas.

14. Service Severance

- 14.1. In case of service severance, the Mediclaim scheme of the employee and his / her dependent is discontinued with effect from his/her last working day.
- 14.2. Employees in the event of the service severance wish to continue the Mediclaim scheme should contact Insurance Helpdesk at InsuranceHelpdesk@coforge.com and complete the formalities at least one week before their last working day. However, continuation of Mediclaim scheme will be at the sole discretion of the insurance company.
- 14.3. Additional premium forming part of monthly payroll deductions on account of voluntary enhancement of medical insurance coverage shall, in the event of employee separation during the scheme year, be treated as follows:
 - Where a claim has been made during the applicable scheme period by the employee, the balance premium installments for the scheme year shall be recovered from the employee's Full and Final (F&F) settlement i.e. if LWD is in October, the premium due for Nov – March shall be adjusted from F&F
 - Where no claim has been made during the applicable scheme period by the employee, premium amounts attributed to the scheme period post the employees' Last Working Day shall be waived i.e. if LWD is in October, no premium for November or beyond shall be charged

14.4. **Annexures**

Annexure 1: Definitions

Annexure 2: Treatment of Specific Expenses in the scheme

Annexure 1

DEFINITIONS

- **ACCIDENT** An accident is a sudden, unforeseen and involuntary event caused by external and visible and violent means
- **"Acute condition"** – Acute condition is a disease, illness or injury that is likely to respond quickly to treatment which aims to return the person to his or her state of health immediately before suffering the disease/illness/injury which leads to full recovery.
- **"Chronic condition"** – A chronic condition is defined as a disease, illness, or injury that has one or more of the following characteristics –
 - I. it needs ongoing or long-term monitoring through consultations, examinations, check-ups and /or tests
 - II. it needs ongoing or long-term control or relief of symptoms
 - III. it requires your rehabilitation or for you to be specially trained to cope with it. it continues indefinitely
 - IV. it comes back or is likely to come back.
- **Alternative treatments** are forms of treatments other than treatment "Allopathy" or "modern medicine" and include Ayurveda, Unani, Siddha and Homeopathy in the Indian context.
- **ANY ONE ILLNESS** will be deemed to mean continuous period of illness and it includes relapse within 45 days from the date of last consultation with the Hospital / Nursing Home where treatment has been taken. Occurrence of the same illness after a lapse of 45 days as stated above will be considered as fresh illness for the purpose of this scheme.
- **CASHLESS FACILITY** means a facility extended by the insurer/TPA to the insured where the payments, of the costs of treatment undergone by the insured in accordance with the scheme terms and conditions, are directly made to the network provider by the insurer/TPA to the extent pre-authorization approved.
- **CONGENITAL ANOMALY** refers to a condition(s) which is present since birth, and which is abnormal with reference to form, structure or position.
 - I. Internal Congenital Anomaly which is not in the visible and accessible parts of the body.
 - II. External Congenital Anomaly Which is in the visible and accessible parts of the body.
- **Condition Precedent** shall mean a scheme term or condition upon which the Insurer's liability under the scheme is conditional upon.
- **CONTRIBUTION** is essentially the right of an insurer to call upon other insurers liable to the same insured to share the cost of an indemnity claim on a ratable proportion.
- **DAY CARE CENTRE** means any institution established for day care treatment of illness and/or injuries or a medical set-up within a hospital and which has been registered with the local authorities, wherever applicable, and is under the supervision of a registered and qualified medical practitioner AND must comply with all minimum criteria as under:
 - I. Has qualified nursing staff under its employment
 - II. Has qualified Medical Practitioner(s) in charge
 - III. Has a fully equipped operation theatre of its own where surgical procedures are carried out.
 - IV. Maintains daily records of patients and will make these accessible to the Insurance Company's

authorized personnel.

- **DAY CARE TREATMENT** - Day Care treatment means the medical treatment and/or surgical procedure which is –
I. Undertaken under General or Local Anaesthesia in a hospital/day care center in less than 24 hrs. because of technological and which would have otherwise required a hospitalization of more than 24 hours. Treatment normally taken on an out-patient basis is not included in the scope of this definition.

DEDUCTIBLE is a cost sharing requirement under a Health Insurance Scheme that provides that the Insurer will not be liable for a specified rupee amount in case of Indemnity policies and for a specified number of days/hours in case of hospital cash policies which will apply before any benefits are payable by the insurer. A deductible does not reduce the sum insured.

- **DOMICILIARY HOSPITALISATION** means medical treatment for an illness/disease/injury which in the normal course would require care and treatment at a hospital but is taken while confined at home under any of the following circumstances :
 - The condition of the patient is such that he/she is not in a condition to be removed to a hospital or
 - The patient takes treatment at home on account of non-availability of room in a hospital.

HOSPITAL/NURSING HOME

A Hospital means any institution established for in-patient care and day care treatment of illness and/or injuries and which has been registered as a Hospital with the local authorities under the Clinical establishments (Registration and Regulation) Act, 2010 or under the enactments specified under the Schedule of Section 56(1) of the said Act OR complies with all minimum criteria asunder

- ✓ Has qualified nursing staff under its employment round the clock.
- ✓ Has at least 10 in-patient beds in towns having a population of less than 10 lacs and at least 15 in-patient beds in all other places;
- ✓ Has qualified medical practitioner(s) in charge round the clock;
- ✓ Has a fully equipped Operation Theatre of its own where surgical procedures are carried out;
- ✓ Maintains daily records of patients and makes these accessible to the insurance company's authorized personnel.

The term ' Hospital / Nursing Home ' shall not include an establishment which is a place of rest, a place for the aged, a place for drug-addicts or place for alcoholics, a hotel or a similar place.

- **HOSPITALISATION** Means admission in a Hospital/Nursing Home for a minimum period of 24 In-patient care consecutive hours except for specified procedures/treatments, where such admission could be for a period of less than 24 consecutive hours.
- **ID card** means the identity card issued to the insured person by the TPA to avail cashless facility in network hospitals.
- **ILLNESS** means a sickness or a disease or pathological condition leading to the impairment of normal physiological function which manifests itself during the scheme period and required medical treatment.
- **INJURY** means accidental physical bodily harm excluding illness or disease solely and directly caused by external, violent and visible and evident means which is verified and certified by a Medical Practitioner
- **IN-PATIENT CARE** means treatment for which the insured person has to stay in a hospital for more than 24 hours for a covered event.
- **INTENSIVE CARE UNIT** means an identified section, ward or wing of a hospital which is under the constant

supervision of a dedicated Medical Practitioner(s), and which is specially equipped for the continuous monitoring and treatment of patients who are in a critical condition or require life support facilities and where the level of care and supervision is considerably more sophisticated and intensive than in the ordinary and other wards.

- **MEDICAL ADVICE** Any consultation or advice from a Medical Practitioner including the issue of any prescription or repeat prescription.
 - **MEDICAL EXPENSES** Medical Expenses means those expenses that an Insured person has necessarily and actually incurred for medical treatment on account of illness or Accident on the advice of a Medical Practitioner, as long as these are no more than would have been payable if the Insured Person had not been insured and no more than other hospitals or doctors in the same locality would have charged for the same medical treatment.
 - **MEDICALLY NECESSARY** treatment is defined as any treatment, tests, medication, or stay in hospital or part of a stay in hospital which
 - Is required for the medical management of the illness or injury suffered by the insured;
 - Must not exceed the level of care necessary to provide safe, adequate and appropriate medical care in scope, duration or intensity;
 - Must have been prescribed by a Medical Practitioner;
 - Must conform to the professional standards widely accepted in international medical practice or by the medical community in India.
 - **MEDICAL PRACTITIONER** is a person who holds a valid registration from the Medical Council of any State of India or Medical Council of India or Council for Indian Medicine or for Homeopathy set up by the Government of India or a State Government and is thereby entitled to practice medicine within its jurisdiction; and is acting within the scope and jurisdiction of license.
- The term Medical Practitioner would include Physician, Specialist and Surgeon. (The Registered Practitioner should not be the insured or close family members such as parents, in-laws, spouse and children)
- **NETWORK PROVIDER** means the hospital/nursing home or health care providers enlisted by an insurer or by a TPA and insurer together to provide medical services to an insured on payment by a cashless facility. The list of Network Hospitals is maintained by and available with the TPA and the same is subject to amendment from time to time.
 - **Preferred Provider Network** means a network of hospitals which have agreed to a cashless packaged pricing for certain procedures for the insured person. The list is available with the company/TPA and subject to amendment from time to time. Reimbursement of expenses incurred in PPN for the procedures (as listed under PPN package) shall be subject to the rates applicable to PPN package pricing.
 - **NON-NETWORK HOSPITALS** Any hospital, day care center or other provider that is not part of the network.
 - **PRE-EXISTING DISEASE** Any condition, ailment or injury or relation condition(s) for which you had signs or symptoms, and/or were diagnosed, and/or received medical advice/treatment within 48 months to prior to the first scheme issued by the insurer.
 - **PRE – HOSPITALISATION MEDICAL EXPENSES** Relevant medical expenses incurred immediately 30 days before the Insured person is hospitalized provided that;
 - a. Such Medical expenses are incurred for the same condition for which the Insured Person's

Hospitalization was required; and

- b. The In-patient Hospitalization claim for such Hospitalization is admissible by the Insurance Company
- **POST HOSPITALISATION MEDICAL EXPENSES** Relevant medical expenses incurred immediately 60 days after the Insured person is discharged from the hospital provided that;
 - a. Such Medical expenses are incurred for the same condition for which the Insured Person's Hospitalization was required; and
 - b. The In-patient Hospitalization claim for such Hospitalization is admissible by the Insurance Company.
- **QUALIFIED NURSE** means a person who holds a valid registration from the Nursing Council of India or the Nursing Council of any State in India and who is employed on recommendation of the attending Medical Practitioner.
- **REASONABLE AND CUSTOMARY CHARGES** mean the charges for services or supplies, which are the standard charges for the specific provider and consistent with the prevailing charges in the geographical area for identical or similar services, taking into account the nature of illness/injury involved.
- **ROOM RENT** shall mean the amount charged by a hospital for the Occupancy of a bed on per day (24hours) basis and shall include associated medical expenses.
- **SUBROGATION** shall mean the right of the insurer to assume the rights of the insured person to recover expenses paid out under the scheme that may be recovered from any other source.
- **SURGERY OR SURGICAL PROCEDURE** means manual and/or operative procedure(s) required for treatment of an illness or injury, correction of deformities and defects, diagnosis and cure of diseases, relief of suffering or prolongation of life, performed in a hospital or day care center by a Medical Practitioner.
- **UNPROVEN/EXPERIMENTAL TREATMENT** including drug experimental therapy which is not based on established medical practice in India, is treatment experimental or unproven.
