10. Request for Transport

- 10.1 Women Employees working in night shifts are urged to take the Company provided transport facility. In case a woman Employee prefers to use their personal transportation, they shall notify in advance.
- 10.2 Employee or the assigned project manager from the respective project may seek transport facility by raising a request in the following manner:
 - A. For cab:** Request can only be raised by the assigned project manager on the portal by following this path:
iEngage → Admin-Facilities → Transport system → Weekly (24x7).
 - B. For bus:** Any employee can raise a request on the portal by following this path:
iEngage → Admin-Facilities → Transport system → Bus
- 10.3 In case the scheduled shift is extended for at least 02 hours, then the Employee will be able to book the transport facility for the next available slot. In the event no immediate slots are available, the Employee can raise an ad hoc request.
- 10.4 Transport facility may be sought for emergency and/or medical reason by dropping an email to Transport Helpdesk which is locally published.
- 10.5 Any cab requirement for official local travel or for a client visit must be submitted at least 48 hours prior with approval from the respective delivery head, by dropping an email to Transport Helpdesk which is locally published.
- 10.6 An Employee may raise a request for temporary change of residence address only in exceptional scenarios and duly approved by respective BU-HR and BU Head.

11. Timings and Routes

- 11.1 All vehicles will depart after 10 minutes of the designated shift.
- 11.2 The cab waiting time at the first pick-up point shall only be 05 minutes.
- 11.3 If an Employee misses their boarding owing to personal reasons, then they are required to make their own arrangements to reach the office. Employees who missed the designated cab for the drop can request departure in the next available slot. (ref clause no. 10.3)
- 11.4 Employee who is scheduled for transport but does not use it will be considered as 'No Show' and if this is continued for 03 days, then the transport for that Employee will be discontinued without any notice and/or refund.
- 11.5 The vehicle will stop only at predefined and approved points as per the route defined by Transport Helpdesk. Any request to the cab driver for change in approved point will be declined.

12. Important Do's and Don'ts:

- 12.1 Every Employee using any transport facility must Ensure own safety of all personal belongings during travel and when alighting from the vehicle. The Company and the vehicle operator shall not, in any circumstance, be responsible for any loss of personal belongings.
- 12.2 Board/deboard from designated points only.
- 12.3 Ensure a congenial and peaceful environment while travelling and not behave in an unethical manner.
- 12.4 Do not offer gratuities (tips) or other favors to vehicle drivers for seeking personal favors.
- 12.5 Display your ID card to the vehicle driver before boarding and upon request to the driver, any other person authorized by the Company, or to any other authorized personnel.
- 12.6 Ensure authenticity of the vehicle before boarding and in case there is any discrepancy, then the Employee must refrain from boarding the vehicle and immediately notify the same to the

Transport Helpdesk.

- 12.7 Notify the Transport Helpdesk immediately in the event the driver is found over-speeding, violating traffic rules or driving under the influence of alcohol, drugs or other prohibited substances or displaying any inappropriate behavior.
- 12.8 Wear seatbelts at all times (in front and rear seats) and follow all other safety instructions as communicated from time to time.
- 12.9 Do not share any personal details or any other information with the vehicle driver.
- 12.10 Do not request for or permit any unauthorized person to board the vehicle. In the event any Employee finds that unauthorized person is present in the vehicle, then they must immediately notify the Transport Helpdesk. If the Employee is not sure of the identity of a co-commuter, then they request the co-commuter to display their ID card. If the ID card is not available, the Employee must immediately report the matter to the Transport Helpdesk
- 12.11 Do not swap or change the vehicle assigned to them without prior written consent of the transport helpdesk.
- 12.12 Do not ask the driver to drive fast or drive the vehicle in violation of traffic rules.
- 12.13 Do not ask the driver to halt at places for any purpose such as for shopping, meeting friends/relatives etc.
- 12.14 Do not board the vehicle if they have consumed alcohol or drugs or other prohibited substance under 02 hours from the time of boarding.
- 12.15 Do not smoke, consume alcohol, drugs or other prohibited substance while in the vehicle.
- 12.16 Maintain cleanliness and not inflict any damage to the vehicles.
- 12.17 Employees agree and accept that all Company policies including the POSH Policy and all applicable laws will continue to apply to Employees while availing such transport facilities.

13. Compliance Obligations

We remain committed to consistently meet all local regulations and guidelines and adapting our policies in alignment with any updates from local authorities.
